## Press Release - Global Child Prodigy Awards 2025

### **ARCHITA PAL Named Among Top 100 Child Prodigies & selected for the Global Child Prodigy Awards 2025**

ARCHITA PAL, a talented young achiever from United Arab Emirates, has been selected among the **Top 100 Child Prodigies of 2025** & has been selected for **Global Child Prodigy Awards 2025**. Shortlisted from thousands of nominations across **130 countries**, ARCHITA PAL will be honored at the prestigious **ceremony on June 26, 2025**, at the Member's Dining Room, **House of Commons, British Parliament, UK**.

Selected in the category of **Intelligence & Memory - IQ**, ARCHITA PAL is now a part of an exceptional group of children who have demonstrated outstanding achievements across diverse fields, including science, innovation, arts, music, sports, entrepreneurship, and social impact. This recognition places ARCHITA PAL among a global community of young talents whose work is shaping the future.

The Global Child Prodigy Awards, now in its third edition, is the world's first and only platform dedicated to identifying and honoring exceptional children under the age of 15. The event is supported by **Charles Group** and **Hindustan Group of Institutions**, two organizations that are deeply committed to empowering the next generation. **Jose Charles Martin**, Chairman & MD of Charles Group, commented, *"The Global Child Prodigy Awards celebrates the potential of young minds and their ability to change the world. We're proud to support this platform that gives global recognition to these exceptional children."*

Speaking about the significance of this year's awards, **Dr. Anand Jacob Verghese**, Chairman of Hindustan Group of Institutions, stated, *"These awards provide a vital opportunity to recognize and nurture future leaders. The children honored here represent the kind of talent that can make a real difference on a global scale."*

**Prashant Pandey**, Founder & CEO of the Global Child Prodigy Awards, shared his vision for the platform: *"The Global Child Prodigy Awards is more than just recognition—it's about inspiring young minds to continue pushing boundaries. Every child we honor proves that age is no barrier to extraordinary achievements. Our goal is to elevate these young talents and ensure they have the support to continue their impactful work."*

This year's ceremony will also feature the launch of the **Global Child Prodigy Book 2025**, a collection of stories from all 100 prodigies. The book will be shared with libraries, institutions, and influential networks around the world to inspire future generations.

**Dr. Abdul Ghani**, Mentor of the Global Child Prodigy Awards, echoed the importance of these recognitions, saying, *"The awards celebrate not just talent, but also the perseverance and*

*passion these children have shown. They are the innovators, leaders, and change-makers of tomorrow, and it's essential we support them in every way possible."*

In previous years, the GCPA has attracted global attention with prominent personalities such as **Nobel Laureate Kailash Satyarthi** and **Dr. Kiran Bedi**, former Lt. Governor of Puducherry, presenting awards. The 2022 edition took place in Dubai, under the patronage of **His Highness Sheikh Nahayan Mubarak Al Nahayan**, Cabinet Minister of Tolerance and Coexistence in the UAE, with guests including **Nobel Laureate Sir Richard J. Roberts** and healthcare pioneer **Dr. Azad Moopen**.

### **About ARCHITA PAL:**

ARCHITA PAL, from United Arab Emirates, is a mathematics prodigy with top honors in mental calculation across global competitions in Germany, London, Malaysia, and Dubai. She was crowned Grand Finale Champion at KenKen International 2023 and has secured global ranks in Mental Math World Cup and UCMAS. A black belt in karate and an active environmentalist, Archita continues to inspire with her passion for numbers and impact beyond the classroom.
