

*“Dance is not just an art form but a discipline that requires dedication, technical skill, and emotional expression. Excelling in dance involves a multifaceted approach encompassing training, performance experience, and personal growth.”*

For the past eight years, Meera of class 10A has participated in classical dance performances across numerous platforms. She has excelled in Bharatanatyam and continues to study many other dance styles, like Mohiniyattam, Odissi, and Kuchipudi.

From the age of three, Meera had a keen interest in dancing. She could communicate her feelings more deeply and it always made her happy. Meera has competed in several dance events and won prizes and medals. She was also a member of the Ahlan Modi procession team, which honored Shri Narendra Modi, the prime minister of India, and brought together the biggest number of Indian residents in the United Arab Emirates
