Objective: *To foster a positive engagement by facilitating parental participation in a school.*

Report

On occasion of Children's day, the Parents Teachers Association of St. Joseph's School participated in the celebrations of Children day programe. Even though children should be celebrated every day, Children's Day is specifically dedicated to them and it is important to make them feel extra special with a lot of love and affection.

PTA members performed action song, two wonderful group dances. Children enjoyed their performances and were enthralled. It gave children the opportunity to make lifelong memories.
