

Report on ALLEN's Talent Encouragement Exam

Date: 15/11/2022

Duration: 2 hrs

Facilitator: Mrs. Mariamma (Assessment coordinator) Mrs. Sonal S

Venue: St. Joseph's School-Abu Dhabi

Attendees: Students of Grade V to XI

Objective: To prepare students for the real challenges as they compete with other students of their age from around the world

Report

Allen overseas conducted an aptitude test for students of grade V to XI at St. Joseph's School within school hours. Students were provided OMR sheets along with the question booklet. Teachers were facilitators in conducting the test successfully. The students were tested on mental ability, analytical reasoning, and quantitative aptitude. The test results will provide students with National & Global Rank, Detailed Performance Analysis and Competitive Success Index.

Other benefits for students were as follows -Students Psychometric Test, Mock Tests Practice Papers, an opportunity to start preparing early for competitive exams like JEE (Main) JEE (Advanced), NEET (UG). AIIMS, International Olympiads.

Students wrote the test successfully and a detailed report and result will be published on website.
