

## **TEACHER'S DAY REPORT 2022**

On 5th September 2022, St. Joseph's School Abu Dhabi commemorated Teachers' Day.

The day began with the customary thanksgiving Mass at St. Joseph's Cathedral which was attended by all the teachers and students. The Teachers were then invited to the school auditorium for a celebratory program planned out by the students of grade 12.

They were greeted with great enthusiasm and cheer by the students as they walked into the auditorium elegantly dressed for their special day. The program commenced following the arrival of the Principal, Sr. Carmen.

After the welcome speech, the MCs took over with the task of making sure the teachers had a good time. The first event planned was a medley of old-school songs which accomplished its goal of evoking nostalgia. Next, the students directed and enacted a comedic play with the theme of 'Bigg Boss'. Following the skit was an assortment of Bollywood and South Indian dances curated to build up the excitement for the upcoming segment.

Finally, the most anticipated event began- the Games. To warm up, the MCs hosted a game of 'Bombing the City' to make sure every teacher was on their toes. The teachers were then divided into 9 teams to compete in a series of games. The games, which included Pictionary, Charades and a Ramp Walk, created a sense of anticipation and excitement ensuring everyone was eager to know the results. The MCs then announced the winners and the prize distribution ceremony began.

After concluding the celebration, every teacher was presented a customized tote bag with their initials, a mug with the signatures of the students of batch 2022-23 and the teacher's name, as well as a personalized card from the Grade 12 students.

The Teachers were gratified by the presents but were more so touched by the time and effort put in by the students to make them feel special. The day will always remain a beautiful memory in the hearts of the teachers and the students of Grade 12.
